

## Lucy Thomas

Head of Investment Stewardship, TCorp

Lucy Thomas is Head of Investment Stewardship with TCorp. Lucy is responsible for embedding stewardship principles across TCorp's portfolios through ESG integration, active ownership and collaboration.

Prior to joining TCorp Lucy held the role of Global Head of Sustainable Investment at Willis Towers Watson where she supported asset owners in building organisational models and portfolios that deliver long term sustainable returns.

Lucy's career experience includes roles in equity research at Morgan Stanley and funds management across listed equities and unlisted property in London, Europe and Australia. Lucy is passionate about the investment industry embracing an awareness of social and environmental returns alongside financial returns.

Lucy holds a BA (Hons) from Dublin University (Trinity College) and is a Chartered Financial Analyst.
