

## Mitesh Sheth MBE

### Chief Investment Officer of Multi-Asset, Newton Investment Management

Mitesh joined as Chief Investment Officer of Newton's multi-asset business in February 2022. Mitesh has oversight of Newton's multi-asset and fixed-income teams based in London, as well as Newton's quantitative multi-asset solutions team in San Francisco and Boston.

Previously, he served as Chief Executive Officer at Redington from 2016-2021, having joined the firm in 2013 as Director of Strategy. Mitesh joined Redington from Henderson Global Investors where he was Head of Fixed Income and later Director of Business Innovation. He started his career as a fund manager researcher at Aon and WTW.

He qualified from LSE in 1999 with a BSc in Actuarial Science. After graduating, Mitesh spent a year in India studying at Tatvagnan Vidhyapeeth (School of Philosophy). He is a Fellow of the Institute of Actuaries (FIA) having qualified in 2003.

Mitesh is actively involved in the Diversity Project's Gender workstream, as well as Race & Ethnicity workstream as an Executive Sponsor. He received an MBE for his leadership on diversity and inclusion in financial services, as part of the HRH The Queen's New Years Honours in 2022. Mitesh was recently recognized as a Top 100 Executive in the 2023 Empower Role Models Lists supported by YouTube and presented by global consulting group Involve, showcasing global business leaders who are breaking down barriers in the workplace and inspiring the next generation of diverse talent.
