Thinking Ahead Institute

An innovation network founded by WTW

Grapevine | An event special

In this bonus edition of Grapevine, we share our annual [integrated report](#), which details how we create value for our stakeholders and highlight our upcoming [Q4 events](#). As part of WTW's flagship Manager Ideas Exchange events in [North America](#) and in [Asia](#), we are pleased to host two special dinners for TAI members and friends in [Chicago](#) and [Hong Kong](#). We would love for you to dine, laugh and engage with us and your industry fellows as part of the Thinking Ahead Institute's network. To round up the year, we would also like to invite you to [Network+](#) in London – an event where we showcase the best of the Institute's [research](#). Our events are designed

to facilitate collaboration between industry peers, and we hope to see you at one, if not all of these, over the coming months.

Integrated Report

We are delighted to share our annual Integrated report, which shows how we created value last year for our stakeholders, especially our members. 2022 was also a year that marked 20 years of Thinking Ahead and innovation at WTW, making this a telling report.

Chicago dinner

On Monday 16th October the Institute team will be in Chicago to host a special dinner for invitees and to discuss the topic of **Horizon scanning**. If this topic is of interest, more information on TAI's **Horizon scanning** workshop can be found [here](#). If you are available to attend, we would love to see you.

[Register](#)

Hong Kong dinner

On Tuesday 28th November, the Thinking Ahead team will be attending [MiX Asia](#), during which there will be an opportunity to attend a TAI session or have a fireside chat with our head, Marisa Hall. Following this event, we will be hosting a dinner where we will be covering the topic of **horizon scanning**. If you are interested in attending the dinner, please register.

[Register](#)

Network+, London

Our flagship in-person event, the Thinking Ahead Breakfast Seminar (TABS), is back and bigger than ever as **Network+: big risks, big solutions, big change**. Join us on 21st November for a series of impactful, rapid-fire talks from the Thinking Ahead Institute team and industry peers covering the best of the [Institute's research](#). This is bound to be an invigorating event and shouldn't be missed.

Manager Ideas Exchange 2023 (North America and Asia)

TAI will be attending WTW's upcoming Manager Ideas Exchange events on 17-18th October in Chicago and 28-29th November in Hong Kong. The event will bring together asset managers and WTW Investments colleagues over two days of thought-provoking sessions, opportunities, and networking. To find out more, please visit the below webpage. Special discounts are available to TAI members, qualifying emerging managers, and prior iX attendees. Please [contact us](#) to find out more.

WTW Manager iX North America: [register here](#)

WTW Manager iX Asia: [register here](#)

Please do share this with your colleagues. If you have been forwarded this email and want to receive it in future you can [subscribe here](#).

Feel free to forward

We love to connect with new organisations. To find out more about how your organisation can start thinking ahead by getting involved in our working groups, events, and collaborations, please [read more](#).

Thinking Ahead Institute

An innovation network founded by WTW

About the Thinking Ahead Institute

The Thinking Ahead Institute was established in January 2015 and is a global not-for-profit investment research and innovation member group made up of engaged institutional asset owners and asset managers committed to mobilising capital for a sustainable future. It has over 50 members around the world with combined responsibility for over US\$16 trillion and is an outgrowth of the Thinking Ahead Group which was set up in 2002. Learn more at thinkingaheadinstitute.org.

About WTW

At WTW (NASDAQ: WTW), we provide data-driven, insight-led solutions in the areas of people, risk and capital. Leveraging the global view and local expertise of our colleagues serving 140 countries and markets, we help you sharpen your strategy, enhance organizational resilience, motivate your workforce and maximize performance.

Working shoulder to shoulder with you, we uncover opportunities for sustainable success—and provide perspective that moves you.
