

Alva Devoy

Strategic Business Builder & Systems Leader in the Asset Management Industry

- Alva's multi-jurisdictional career, has spanned the global asset management and investment banking industries. With a background in molecular engineering, Alva brings a 'conceptual' and 'build' mindset, to an industry leveraging human capital, to drive both investment returns and business results.
- Alva has direct experience as a Portfolio Manager and parlayed this knowledge into building investment based businesses in Europe and more recently in Australia. Alva was a Managing Director of RBS Australia, as Head of Equity Research, Strategy & ESG and managed the reverse integration of RBS APAC assets into CIMB Securities. More recently, Alva spent eight years as CEO of Fidelity International Australia.
- Alva is passionate about building the teams that build results and has a proven ability to set strategy, create a mission, build winning team cultures to achieve tangible results, including full business turnarounds.
- Throughout Alva's career, she has acted as a trusted advisor to clients, while developing client relationships to maximize business opportunities. Alva is skilled and highly engaged in holistic systems thinking, to contribute to the broader health of the global financial services, eco-system, and has been a member of the Thinking Ahead Advisory Board and TAI many working groups, over the last decade.
