

Vishal Hindocha

Senior Managing Director and the Global Head of the Strategy and Insights Group - MFS

Vishal Hindocha joined MFS in 2016 and is a Senior Managing Director and the Global Head of the Strategy and Insights Group. His prior roles at MFS include being the Global Head of Investment Solutions and the Global Head of Sustainability Strategy. He currently leads a team that works closely with clients around the world to develop solutions and provide insights to help educate and empower them on a broad array of investment trends and best practices. Previously, he worked at Willis Towers Watson for 9 years as senior investment consultant and team leader. Vishal is a CFA charterholder, holds CFA Society UK's Certificate in ESG Investing and Climate Change Investing. He also holds the Cambridge Institute for Sustainability Leadership's Certificate in Sustainable Business.
